The funeral of Miss Minnie Boyd, whose death occurred on Sunday last, was held from her late home on Lemon street at 3 o'clock Monday afternoon. Rev. F. H. Richey officiated and the choir of St. Marks assisted at both the home and the grave. The interment was in West View cemetery. There were many sincere mourners and love was attested by many beautiful floral offerings.

Jim Dawson, a tough negro of West Toccoi, was shot at that place last Sunday night. He was brought here and Dr. C. B. Wilcox probed for the bullet, but it had torn his intestines so that he died from the effects of the bullet on Tuesday. The coroner's jury found that he came to his death from a gun shot, in the hands of a party unknown.

The large plate glass which has this week been in the front of the Merryday block of stores on Lemon street, was furnished by the Selden Cypress Door company of this city, who made the sash. The value of this single plate of glass was about \$100.

Herbert Crook leaves today to attend the meeting of Moharrum Temple, D. O. K. K., at Jacksonville tonight. Mr. Crook is the only Palatka member of this fraternity, but he is not alone. He is accompanied by the daylight out of Dr. Guy Estes and R. Raymond Price, they, too, will be members after this night. Both are going down to the metropolis to take the degree, having arranged their worldly affairs yesterday.

A most enjoyable surprise party took place last Friday evening at the home of Mr. and Mrs. A. H. Holcomb on Kirby street, the same being in honor of Miss Lillian Ralph, who was the guest of Miss Mabel Holcomb over Saturday and Sunday. The party was arranged by the young people of the west end and was an affair of much pleasure. The evening was whittled away playing games of various kinds interspersed with music, all of which was greatly enjoyed. Refreshments were served and 'twas late when the party broke up.

Miss Alta Brakeman entertained a number of young friends at the home of her parents, on Kirkland street, last Wednesday evening, the occasion being her birthday anniversary. About fifteen invited guests were present, and the evening was pleasantly spent with games and music. Refreshments were served in abundance and, needless to say, much enjoyed. Miss Brakeman was the recipient of many valuable and useful presents, given by her young friends as tokens of their esteem. And at a late hour the merriment came to a close, and the young people dispersed, wishing their generous hostess many happy returns of the day.

Last Night's Reception.

The reception in honor of the clergymen in attendance upon the Synod of Florida, at the home of Mrs. H. A. Gray last night, took form of an outpouring of the Christian people of Palatka to both welcome and speed their parking guests. The big house was jammed to the doors with gentlemen and ladies representing all denominations of Christians—gathered to pay honor to the men whose life work is one of toll and sacrifice for the betterment of mankind. It took two hours to handle the immense throng in the dining hall, entering in relays of 50 or more at a time. The tables were loaded with elegant refreshments, served by the leading society young ladies of Palatka.

Special Meeting.

The county commissioners held a special meeting yesterday, called by the chairman to reconsider the action of the board at its last meeting in leasing the county convicts; also to reconsider the salary of the recently appointed game warden.

On motion the bid of W. R. Massey was reconsidered and other bids invited.

S. A. Rawls of Jacksonville made the bid that was accepted. He offered \$12.00 per month each for convicts sentenced to the county jail. His proposition is for the term of four years, payable quarterly and to commence Dec. 1st, 1905. Rawls is to give bond for \$2,000 and enter into a contract. The lessees are to pay all expenses in connection with removal of prisoners.

The board also reconsidered the \$50 per month salary offered the game warden at last meeting, there being a doubt as to the board having the right to pay this amount. There is but \$30 in the game warden fund, and the board doubted its right to take money from another fund.

Fatal Accident.

Henry Bowman a faithful colored employe of N. J. Tilghman & Sons' shingle mill was caught in the belt ing soon after the mill had gotten under way Wednesday morning, receiving injuries from which he will hardly recover.

One of the belts had slipped off the wheel and instead of giving notice and having the machinery stopped, Bowman attempted to put the belt on the pulley while the machinery was in rapid motion. When picked up one leg was broken and torn and one arm had been pulled apart at the elbow tearing away the flesh nearly to his shoulder. Dr. Steen was summoned and Bowman was taken to his home. Wednesday evening he was too weak to undergo an operation, and Dr. Steen thought it highly improbable that he would recover from the shock of his awful accident.

John C. Tilghman was a very sad man on Wednesday. He said the firm had been in the milling business for forty years and that this was their first accident. The men he stated, had been repeatedly cautioned never to attempt such work as did Bowman without first having the machinery stopped. He said Bowman had worked at the mill several years and was a steady and faithful employe, and the shock of his awful and probably fatal accident, while due to his own carelessness, was nevertheless a sad affair and one which, no matter what the effort to obviate, sometimes would occur.

Bowman died on Wednesday evening about 7 o'clock.

FOOT BALL GAME NEXT TUESDAY.

University of Florida vs. Stetson University—Contest on Palatka Grounds.

Through the efforts of Messrs. Geo. B. Selden, T. B. Merrill, C. E. Rowson, D. M. Kirby and other prominent citizens the people of this city will be privileged to see a real up-to-date foot ball game on home grounds next Tuesday afternoon at 2:30.

These gentlemen have arranged to have the game played on the grounds of the Palatka Base Ball club. The game is one of a series now being played between the college teams of Florida for the Times-Union trophy and the championship of Florida.

Palatka is conveniently located for both contestants in the coming game, being about midway between Lake City and DeLand. The contesting clubs will meet here on the morning of that day.

The famous Stetson University eleven is the same that shut out the Light Infantry team in Jacksonville two weeks ago. It is composed of some husky college boys.

The University of Florida eleven is also a team with a reputation and the contest promises to be a tattle royal filled with exciting incidents. The gentlemen have been to considerable expense in securing this contest for Palatka, but should there be anything left after paying the guarantee of \$125 it will be given to the Public Library association.

Admission to the game has been placed at the low price of 25 cents each for men, women and children, and interest in the game promises to spread and grow to the point of securing a record breaking crowd. Very many will come in from the outlying towns.

At the Opera House.

Next Tuesday night at the opera house Miss Florence Davis, supported by Mr. Elliott Dexter, will present the romantic comedy "The Player-Maid."

The play and the players are highly commended by the press, and the Richmond (Va.) News-Leader of Oct. 21st makes much of Miss Davis, who, it is stated, is a kinswoman of the late President Jefferson Davis, of the Confederacy.

"The Player-Maid" is in four acts. As the title indicates the story of the play has to do with the theatre, always a fascinating subject with the general public.
